2023 Legislative Agenda Excerpt

Workforce Housing

FRLA supports full funding for the Sadowski Fund.

Our industry has a specific and dire need for reliable and affordable rental housing. In addition to existing State Apartment Incentive Loan dollars (usually known as SAIL), FRLA would like to see the legislature increase the percentage of State Housing Incentive Partnership dollars (usually known as SHIP) that can be used for rental housing.

FRLA would also encourage the Legislature to consider creating incentives to encourage innovative approaches to affordable housing development. For example: incentives for development of high-quality rental properties in key areas or incentives and tax credits for hoteliers and restaurateurs to create housing for their own staff.
