## Memorandum #11 – 15 (LS)

**To:** Mason C. Jackson, President/CEO  
**From:** Rochelle Daniels, General Counsel  
**Subject:** Revision of the Memorandum of Understanding between the Local Boards and Local Elected Officials  
**Date:** March 11, 2016

### SUMMARY

The Workforce Innovation and Opportunity Act (WIOA) mandates that an agreement be entered into between the CareerSource Broward (CSBD) Council of Elected Officials (Council) and the Broward Workforce Development Board, Inc. (BWDB). The state is asking that a copy of an agreement between the Council and the BWDB be included in our four (4) year strategic WIOA plan. The attached agreement assigns responsibilities between and among, the Council and the BWDB.

### BACKGROUND

Under the Workforce Investment Act, (WIA) local boards could enter into agreements with the chief local elected officials to describe the responsibilities of each of the parties. Some states required that these agreements be created. Other states left it to the local workforce area to determine whether they wanted or needed such an agreement. In 2012, the state required local workforce areas develop such agreements. As a result, CSBD drafted an agreement that was approved by both the Council and the BWDB. The agreement that we developed closely followed the assignment of responsibilities as they were articulated in WIA.

### DISCUSSION

WIOA stipulates that the chief local elected official(s) and local workforce development board identify the responsibilities of each of the parties responsible for policy and oversight in a Memorandum of Understanding (MOU). The state is again requiring that an agreement be developed and included with our strategic plan. To do this, we have taken the current agreement and amended it to incorporate the additional responsibilities assigned to the Council, the BWDB, and the two entities together under WIOA.

We have attached a copy of the amended agreement with the language to be deleted stricken and the language to be added underscored. Also attached is a clean updated copy of the modified agreement which incorporates the changes. The changes are summarized below:

1. References to WIA have been changed to WIOA
2. References to Workforce One Employment Solutions have been changed to CSBD.
3. Responsibilities of the BWDB in concert with the Council have been modified to include:
  - a. Commenting on the State Plan.
  - b. Approval of modifications to the strategic plan.
  - c. Participate in regional planning if assigned to a region.
  - d. Developing one-stop certification criteria and requiring an annual quality assurance and monitoring plan which covers how CSBD will monitor its fiscal and adult, dislocated worker and youth program activities, one-stop accessibility, and compliance with certification criteria.
  - e. The addition on non-mandatory one-stop partners and agreements for one-stop partner infrastructure contributions.
  - f. Approval of the adult priorities.
4. Responsibilities of the BWDB have been amended to include:
  - a. Assisting the state with the vetting process for eligible training providers, approving exceptions to the Eligible Training Providers List and ensuring customer choice in the selection of a training provider from the approved state-wide list, coordinating with our Core Partners on approval of Eligible Training Providers.
  - b. To assure the BWDB directs the work of its committees, and appoints BWDB members as the chair of the committees although they may include non-board members.
  - c. Convening stakeholders to get their input into the local plan development, develop and implement career pathways, enter into memoranda of understanding with the one-stop partners.
  - d. Facilitating one-stop partners' integration of intake and case management systems.
  - e. Selecting career services providers if the services are not delivered by the one-stop operator.

- f. Determining whether youth providers should be selected through a sole source procurement.
- g. Ensure there are sufficient numbers of career services and training providers.
- h. Analyzing economic conditions to identify local occupations in demand, deciding on the criteria for On the Job Training wage reimbursements, deciding to use up to twenty percent (20%) of our local allocation for incumbent worker training, and up to 10% of the allocation for transitional jobs, as well as allocations for support services.
- i. Assisting the Governor to develop, collect, analyze and use statewide Wagner Peyser labor market information.
- j. Engaging employers through intermediaries.
- k. Reviewing Adult Education and Family Literacy Act provider applications.
- l. Entering into cooperative agreements with the core and one-stop partners
- m. Consideration of pay for performance contracts.
- n. Consideration of transfers between the adult and dislocated worker funding streams.
