BROWARD

EMPLOYERS IN BROWARD COUNTY CAN INCREASE THEIR BOTTOM LINE SAVINGS THROUGH CAREERSOURCE BROWARD'S ON-THE-JOB TRAINING (OJT) PROGRAM WHICH PROVIDES UP TO 75% IN WAGE REIMBURSEMENTS!

- ▶ CareerSource Broward's OJT program provides an opportunity for your business to earn wage reimbursements by training new and current employees in a specific skill set needed to effectively perform the work you need. The results? Employees with increased knowledge that add value to your company, making you more competitive! OJT can help improve your bottom line by defraying the cost of training new hires.
- ▶ We recognize that sometimes employers are faced with candidates that have skills gaps, and the option to train is cost prohibitive. Vacant positions can cost a company money in lost productivity. The OJT program is designed to help offset some of those expenses and help get your business on the road to success. CSBD can also help with improving the skills of existing employees with our Skills Upgrade Program.
