Who We Are

AK Building Services is a South Florida family owned business, not a Franchise. All of our cleaners are employees of AK Building Services and we do not sub-contract our labor. Further we conduct background checks on all our employees for criminal activity as well as verification of citizenship. All our cleaners are well supervised and we conduct spot checks to ensure the highest level of quality. It is our commitment to deliver superior service to our customers and to always exceed expectations.

AK utilizes all the latest green cleaning techniques which include only using microfiber rags and a microfiber flat mop system. We understand that the flat mop system will keep the tile and grout clean since clean water and solution is always applied to the floor. Unlike traditional string mop and buckets where all the dirty water ends up in the grout lines and the floors, flat mops are always the preferred way to prevent this from occurring. All our mops are color coded so anything that is cleaned in a bathroom is never used outside of the bathroom to prevent cross contamination.

AK was started by Mark Cedar. Mr. Cedar grew up in the cleaning business as his father spent over 35 years in the janitorial business. Mr. Cedar graduated from Bentley College in Waltham, Massachusetts and received an MBA from Northeastern University.

AK is a drug free, fully licensed insured and bonded company. Our workers compensation policy is covered for \$1.0 million per accident. Our liability insurance policy includes \$2.0 million general aggregate and \$1.0 million per occurrence. Each of our employees is bonded up to \$25,000 per employee.

Some of current customers include Green Companies, Avison Young, JLL, Transwestern, Federal Express, HBO Latin America, Ocwen Financial Corp (2 office buildings), Johnson and Johnson, Chromalloy Gas and Turbine (PB Gardens), Medical Specialist of Palm Beaches (16 medical offices), FAU MBA and Executive School and the US Army National Guard.
