

UNIVERSAL MEMBERSHIP AGREEMENT
for
Equifax Verification Services for Government Agencies

("Agency"): CareerSource Broward
Agency's Address: 2890 W. Cypress Creek Rd., Ft. Lauderdale, FL 33309
Effective date of this Universal Membership Agreement ("Effective Date"): 08/01/2021 (If blank, the Effective Date of this Universal Membership Agreement shall be the date of the last signature below).

This **Universal Membership Agreement** (the "Agreement"), effective as of the Effective Date, is entered into by and between TALX Corporation (a provider of Equifax Verification Services), a Missouri corporation located at 11432 Lackland Road, St. Louis, Missouri 63146 ("EVS"), and Agency.

RECITALS:

- A. EVS operates The Work Number[®] ("TWN"), a service used to verify employment and income information about an individual ("Consumer"), and various other services ("EVS Services") used to verify certain Consumer information (TWN and EVS Services are collectively referred to herein as the "Service"); and
- B. Agency wishes to use the Service to verify certain Consumer information.

NOW, THEREFORE, the parties agree as follows:

- 1. **SCOPE OF THE AGREEMENT.** This Agreement consists of the general terms set forth in the body of this Agreement, Exhibit 1, Exhibit 2, Exhibit 3, and each Schedule A executed by the parties which may contain additional terms. If there is a conflict between the general terms and conditions of this Agreement and any Exhibit or Schedule, the provisions of the Exhibit or Schedule will govern and control. This Agreement specifically supersedes and replaces any agreement between the parties that predates this Agreement and which relates to the Service as provided in each Schedule A, even if the prior agreement contains an "entire agreement" or "merger" clause, and any such agreements are terminated.
- 2. **EVS OBLIGATIONS.** TWN will provide Agency with automated access to certain employment and/or income data ("Data") furnished to EVS by employers, and the EVS Services will provide Agency with access to certain other information ("Information") as described in each Schedule A attached hereto.
- 3. **AGENCY OBLIGATIONS.**
 - a. Agency shall comply with the terms set forth in this Agreement, and each Exhibit and Schedule attached hereto.
 - b. Agency shall pay for the Services as set forth in each applicable Schedule. All prices stated in any Schedule attached to this Agreement are exclusive of sales, use, privilege, or excise taxes. Applicable sales, use, privilege, or excise taxes shall be included in each invoice, except as otherwise exempted in the applicable Schedule.
 - c. Agency certifies that it will order Data from TWN only when Agency (i) intends to use the Data in accordance with the Fair Credit Reporting Act ("FCRA") and all state law FCRA counterparts as though the Data is a consumer report, and (ii) has obtained one of the following FCRA permissible purposes: (1) in connection with a credit transaction involving the Consumer on whom the Data is to be furnished and involving the extension of credit to, or review or collection of an account of, the consumer; (2) in connection with a determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status; (3) when Agency otherwise has a legitimate business need for the information either in connection with a business transaction that is initiated by the Consumer, or to review an account to determine whether the Consumer continues to meet the terms of the account; or (4) for employment purposes and for no other purpose.
 - d. Agency agrees to only use the Data consistent with the obligations of users of consumer reports as provided for in the Consumer Financial Protection Bureau (the "CFPB")'s Notice Form attached as Exhibit 1.
 - e. Agency represents it (i) is administering a government funded benefit or program, (ii) has been given the legal authority to view the Data by the Consumer or by operation of law, and (iii) is requesting the Data in compliance with all laws.
 - f. Agency represents it has written authorization from the Consumer to verify income. Agency need not use any particular form of authorization or obtain a separate signature for verifying income provided that the form is auditable and demonstrates to a reasonable degree of certainty that the Consumer has authorized the Agency to receive the income Data. Notwithstanding the foregoing, in the event Agency is using the Service to collect on defaulted child support obligations, Agency is not required to obtain such authorization.
 - g. Agency certifies that before ordering Data to be used in connection with employment purposes, it will clearly and conspicuously disclose to the subject Consumer, in a written document consisting solely of the disclosure, that Agency may obtain Data for employment purposes and will also obtain the Consumer's written authorization to obtain or procure Data relating to that Consumer.
 - h. Agency certifies that when using Data for employment purposes, it will not take adverse action against the Consumer based in whole or in part upon the Data without first providing to the Consumer to whom the Data relates a copy of the Data and a written description of the Consumer's rights as prescribed by the CFPB, and also will not use any Data in violation of any applicable federal or state equal opportunity law or regulation.
 - i. Agency acknowledges that it has received from EVS a copy of the consumer rights summary as prescribed by the CFPB as referenced on Exhibit 3.
 - j. Agency certifies that it will comply with applicable provisions under Vermont law. In particular, Agency certifies that it will order Data relating to Vermont residents only after Agency has received prior Consumer consent in accordance with VFCRA Section 2480e and applicable Vermont Rules. Agency further certifies that the attached copy of VFCRA Section 2480e applicable Vermont Rules as referenced in Exhibit 2 was received from EVS.

- k. Section 1785.14(a) of the California Civil Code imposes special requirements with respect to transactions in which a “retail seller” (as defined in Section 1802.3 of the California Civil Code) intends to issue credit to a California resident who appears in person on the basis of an application for credit submitted in person (“point of sale transactions”). Agency certifies that these requirements do not apply to it because Agency is NOT a “retail seller” (as defined in Section 1802.3 of the California Civil Code), and/or (b) Agency does NOT issue credit to California residents who appear in person on the basis of applications for credit submitted in person. Agency further certifies that it will notify EVS in writing 30 days PRIOR to becoming a retail seller or engaging in point of sale transactions with respect to California residents.
- l. Agency will comply with the provisions of the FCRA, the Federal Equal Credit Opportunity Act, as amended, all state law counterparts of them, and all applicable regulations promulgated under any of them, including, without limitation, any provisions requiring adverse action notification to the Consumer.
- m. Agency may use the Data and Information provided through the Service only as described in this Agreement. Agency may reproduce or store the Data and Information obtained from the Service solely for its own use in accordance with this Agreement, and will hold all Data and Information obtained from the Service under this Agreement in strict confidence and will not reproduce, reveal, or make it accessible in whole or in part, in any manner whatsoever, to any others unless permitted in this Agreement, required by law, or Agency first obtains EVS’s written consent; provided, however, that Agency may discuss Consumer Data with the Data subject when Agency has taken adverse action against the subject based on the Data. Agency will not provide a copy of the Data to the Consumer, except as may be required or permitted by law or approved in writing by EVS, except in any state where this contractual prohibition would be invalid. Agency will refer the Consumer to EVS whenever the Consumer disputes the Data disclosed by Agency. Agency will not interpret the failure of EVS to return Data as a statement regarding that Consumer’s credit worthiness, because the failure may result from one or more factors unrelated to credit worthiness.
- n. Agency acknowledges it shall employ decision making processes appropriate to the nature of the transaction and in accordance with industry standards and will use the Data and Information as part of its processes.
- o. Agency may access, use and store the Data and Information only at or from locations within the territorial boundaries of the United States, Canada, and the United States territories of Puerto Rico, Guam and the Virgin Islands (the “Permitted Territory”). Agency may not access, use or store the Data or EVS Confidential Information at or from, or send the Data or Confidential Information to, any location outside of the Permitted Territory without Agency first obtaining EVS’s written permission.
- p. Except as otherwise permitted in Section 4.b. below, Agency may not allow a third party service provider (hereafter “Service Provider”) to access, use, or store the Data or Information on its behalf without first obtaining EVS’s written permission and without the Service Provider first entering into a separate agreement with EVS.
- q. In order to ensure compliance with this Agreement, applicable law and EVS policies, EVS may conduct reviews of Agency activities, from time to time, during normal business hours, at all locations containing relevant records, with respect to Agency’s requests for Data or Information and/or its use of Data or Information. Agency shall provide documentation within a reasonable time to EVS as reasonably requested for purposes of such review. Agency shall cooperate fully with any and all investigations by EVS of allegations of abuse or misuse of the Services and allow EVS to access its premises, records, and personnel for purposes of such investigations if EVS deems such access is necessary to complete such investigation(s). Agency agrees that any failure to cooperate fully and promptly in the conduct of any audit constitutes grounds for immediate suspension of the Service and/or termination of the Agreement, and (iii) shall promptly correct any discrepancy revealed by such investigation(s). Agency shall include the name and email address of the appropriate point of contact to whom such request should be made in the space provided below. Agency may change its contact information upon written notice:

r. Additional representations and warranties as may be set forth in each Schedule A.

4. DATA SECURITY. This Section 4 applies to any means through which Agency orders or accesses the Service including, without limitation, system-to-system, personal computer or the Internet. For the purposes of this Section 4, the term “Authorized User” means an Agency employee that Agency has authorized to order or access the Service and who is trained on Agency’s obligations under this Agreement with respect to the ordering and use of the Service, and the Data provided through same, including Agency’s FCRA and other obligations with respect to the access and use of Data.

- a. Agency will, with respect to handling any Data or Information provided through the Service:
 1. ensure that only Authorized Users can order or have access to the Service;
 2. ensure that Authorized Users do not order Data or Information for personal reasons or provide Data or Information to any third party except as permitted by this Agreement;
 3. inform Authorized Users that unauthorized access to Data may subject them to civil and criminal liability under the FCRA punishable by fines and imprisonment;
 4. ensure that all devices used by Agency to order or access the Service are placed in a secure location and are accessible only by Authorized Users, and that such devices are secured when not in use through such means as screen locks, shutting power controls off, or other security procedures and controls which are standard practice in the data protection industry (“Industry Standard Practices”), for example compliance with ISO 27001 standards;
 5. take all necessary measures to prevent unauthorized ordering of or access to the Service by any person other than an Authorized User for permissible purposes, including, without limitation, (i) limiting the knowledge of the Agency security codes, user names, User IDs, and any passwords Agency may use, to those individuals with a need to know. In addition, the User IDs must be unique to each person, and the sharing of User IDs or passwords is prohibited;

6. change Agency passwords at least every ninety (90) days or sooner if Agency suspects an unauthorized person has learned the password; and perform at a minimum, quarterly entitlement reviews to recertify and validate Authorized User's access privileges and disable the account of any Agency user who is no longer responsible for accessing the Service;
 7. adhere to all security features in the software and hardware Agency uses to order or access the Services, including the use of IP restriction;
 8. implement secure authentication practices when providing User ID and passwords to Authorized Users, including but not limited to using individually assigned email addresses and not shared email accounts;
 9. in no event access the Services via any unregistered wireless hand-held communication device, that have not gone through Agency's device enrollment, access, and authentication process. Such process shall be reviewed and approved by EVS prior to allowing access to Services via any hand-held communication device;
 10. not use non-agency owned assets such as personal computer hard drives or portable and/or removable data storage equipment or media (including but not limited to laptops, zip drives, tapes, disks, CDs, and DVDs) to store the Data or Information. In addition, Data and Information must be encrypted when not in use and all printed Data and Information must be stored in a secure, locked container when not in use, and must be completely destroyed when no longer needed by cross-cut shredding machines (or other equally effective destruction method) such that the results are not readable or useable for any purpose. In either case, Industry Standard Practices for the type of Data and Information received from EVS must be employed;
 11. if Agency sends, transfers or ships any Data or Information, encrypt the Data and Information using the following minimum standards, which standards may be modified from time to time by EVS: FIPS 140-2 compliant ciphers and algorithms;
 12. not ship hardware or software between Agency's locations or to third parties without deleting all of EVS's Confidential Information, Agency number(s), security codes, User IDs, passwords, Agency user passwords, and any Consumer information, or Data;
 13. monitor compliance with the obligations of this Section 4, and immediately notify EVS if Agency suspects or knows of any unauthorized access or attempt to access the Service, including, without limitation, a review of EVS invoices for the purpose of detecting any unauthorized activity;
 14. if, subject to the terms of this Agreement, Agency uses a Service Provider to establish access to the Service, be responsible for the Service Provider's use of Agency's user names, security access codes, or passwords, and Agency will ensure the Service Provider safeguards Agency's security access code(s), User IDs, and passwords through the use of security requirements that are no less stringent than those applicable to Agency under this Section 4;
 15. use Industry Standard Practices to assure data security when disposing of any Data and Information obtained from EVS. Such efforts must include the use of those procedures issued by the federal regulatory agency charged with oversight of Agency's activities (e.g. the Federal Trade Commission, the applicable banking or credit union regulator) applicable to the disposal of consumer report information or records;
 16. use Industry Standard Practices to secure Data and Information when stored on servers, subject to the following requirements: (i) servers storing Data and Information must be separated from the Internet or other public networks by firewalls which are managed and configured to meet industry accepted best practices, (ii) Data and Information must be protected through multiple layers of network security, including but not limited to, industry-recognized firewalls, routers, and intrusion detection/prevention devices (IDS/IPS), (iii) access (both physical and network) to systems storing Data and Information must be secure, which must include authentication and passwords that are changed at least every ninety (90) days; and (iv) all servers must be kept current and patched on a timely basis with appropriate security-specific system patches, as they are available;
 17. not allow Data or Information to be displayed via the Internet unless utilizing, at a minimum, a three-tier architecture configured in accordance with industry best practices;
 18. use Industry Standard Practices to establish procedures and logging mechanisms for systems and networks that will allow tracking and analysis in the event there is a compromise, and maintain an audit trail history for at least three (3) months for review;
 19. provide immediate notification to EVS of any change in address or office location and are subject to an onsite visit of the new location by EVS or its designated representative; and
 20. in the event Agency has a Security Incident involving EVS Confidential Information, Agency will fully cooperate with EVS in a security assessment process and promptly remediate any finding. For purposes of this Section 4, "**Security Incident**" means any actual breach, theft or unauthorized access, use, misuse, theft, vandalism, modification or transfer of or to Services or Data.
- b.** A cloud service provider ("**CSP**") is a company that offers a component of cloud computing. CSPs generally offer Infrastructure as a Service (IaaS), Platform as a Service (PaaS), or Software as a Service (SaaS). Agency may use a CSP to process, transmit, or store Data and Information, subject to the requirements below.
1. Agency may use Amazon Web Services, Google Cloud Platform, Microsoft Azure, or Salesforce exclusively as their CSP, so long as Agency certifies its CSP has the following minimum requirements: (i) Data and Information at rest is encrypted at a minimum of AES-256; (ii) Data and Information shall be encrypted in transit both internally and externally at a minimum of TLS version 1.2 and/or AES-128; (iii) Agency shall manage all encryption keys within the Agency's CSP; (iv) an inventory shall be kept of all Data and Information within the cloud environment; (v) Data and Information shall be logically and/or physically separated in multi-tenant environments in accordance with industry standards; and (vi) access control standards that include: user provisioning, regular access reviews, password requirements, need to know permissions, and least privilege principles.

2. For all other CSPs, Agency certifies that Agency will, and will contractually obligate its CSP to, follow EVS's minimum requirements: (i) Data and Information at rest is encrypted at a minimum of AES-256; (ii) Data and Information shall be encrypted in transit both internally and externally at a minimum of TLS version 1.2 and/or AES-128; (iii) Agency shall manage all encryption keys within the Agency's CSP; (iv) an inventory shall be kept of all Data and Information within the cloud environment; (v) Data and Information shall be logically and/or physically separated in multi-tenant environments in accordance with industry standards; (vi) access control standards that include: user provisioning, regular access reviews, password requirements, need to know permissions, and least privilege principles; (vii) utilization of secure data destruction techniques shall be used to destroy Data and Information in accordance with industry standards; (viii) assets that are no longer needed for legal purposes shall be destroyed in accordance with industry standard; (ix) incident handling and forensic support shall be provided in the event of an investigation or Security Incident; (x) cloud hosted systems shall be patched at the most current levels and have vulnerabilities addressed in accordance with industry standards; (xi) information systems and infrastructures shall follow industry security hardening standard such as DISA STIG or CIS guidance; (xii) CSP's application environment shall be certified by an independent third party (SOC 2 Type 2), if operating in a hybrid environment, a SOC 2 Type 2 or equivalent shall also be required for the Agency; (xiii) Third parties providing support services to the Agency or Agency's CSP shall not have access to Data and Information without prior consent of EVS; (xiv) CSP shall have network-based Intrusion Detection Systems (IDS) and/or Intrusion Prevention Systems (IPS) tools deployed in or around the cloud network infrastructure; (xv) centralized logging and monitoring of the CSP's infrastructure/environment; and (xvi) Agency shall utilize multi-factor authentication (MFA) to remotely access CSP's infrastructure/environment.
- c. If EVS reasonably believes Agency has violated this Section 4, EVS may, in addition to any other remedy authorized by this Agreement, with reasonable advance written notice to Agency and at EVS's sole expense, conduct, or have a third party conduct on its behalf, an audit of Agency's facilities, security practices and procedures to the extent EVS reasonably deems necessary, including an on-site inspection, to evaluate Agency's compliance with the data security requirements of this Section 4.
5. **CONFIDENTIALITY.** Each party acknowledges that all materials and information disclosed by a party ("Disclosing Party") to another party ("Recipient") in connection with performance of this Agreement, including Data and Information obtained from the Service, the terms of this Agreement and the pricing terms contained in Schedule A, consist of confidential and proprietary data ("Confidential Information"). Each Recipient will hold those materials and that information in strict confidence, and will restrict its use of those materials and that information to the purposes anticipated in this Agreement. If the law or legal process requires Recipient to disclose confidential and proprietary data, Recipient will notify the Disclosing Party of the request. Thereafter, the Disclosing Party may seek a protective order or waive the confidentiality requirements of this Agreement, provided that Recipient may only disclose the minimum amount of information necessary to comply with the requirement. Recipient will not be obligated to hold confidential any information from the Disclosing Party which (a) is or becomes publicly known, (b) is received from any person or entity who, to the best of Recipient's knowledge, has no duty of confidentiality to the Disclosing Party, (c) was already known to Recipient prior to the disclosure, and that knowledge was evidenced in writing prior to the date of the other party's disclosure, or (d) is developed by the Recipient without using any of the Disclosing Party's information. The rights and obligations of this Section 5, with respect to (i) confidential and proprietary data that constitutes a "trade secret" (as defined by applicable law), will survive termination of this Agreement for so long as such confidential and proprietary information remains a trade secret under applicable law; and (ii) all other confidential and proprietary data, will survive the termination of this Agreement for the longer of two (2) years from termination, or the confidentiality period required by applicable law.
6. **TERM AND TERMINATION.** The term for the Service(s) is set forth in the applicable Schedule. A Schedule may expire or be terminated without affecting the other Schedules. This Agreement shall remain in effect as long as there is an outstanding Schedule with a term then in effect. Either EVS or Agency may terminate this Agreement or any Schedule(s), at any time upon thirty (30) days' prior written notice to the other. Unless otherwise provided for in the relevant schedule, EVS may change the price of the Service and/or the Service Schedule and/or Description with thirty (30) days' notice to Company. Agency's use of the Service after such thirty (30) day period shall constitute its agreement to such change(s), without prejudice to its right to terminate this Agreement as provided above. If EVS believes that Agency has breached an obligation under this Agreement, EVS may, at its option and reserving all other rights and remedies, terminate this Agreement and/or any Schedules immediately upon notice to Agency.
7. **RIGHTS TO SERVICE.** The Service and the Data are proprietary to EVS; and all rights to the Service and Data are proprietary to and reserved by EVS.
8. **WARRANTY.** EVS warrants that the Service will be performed in all material respects in a reasonable and workmanlike manner and in compliance with laws and regulations applicable to EVS's performance thereof. Agency acknowledges that the ability of EVS to provide accurate information is dependent upon receipt of accurate information from employers. EVS does not warrant that the Service will be error free. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH HEREIN, EVS MAKES NO OTHER WARRANTIES AS TO THE SERVICE OR THE DATA, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF GOOD TITLE, MERCHANTABILITY, AND/OR FITNESS FOR A PARTICULAR PURPOSE EVEN IF EVS KNOWS OF SUCH PURPOSE.
9. **FORCE MAJEURE.** Neither party will be liable to the other for any delay, or interruption in performance as to any obligation hereunder resulting from governmental emergency orders, judicial or governmental action, emergency regulations, sabotage, riots, vandalism, labor strikes or disputes, acts of God, fires, electrical failure, major computer hardware or software failures, equipment delivery delays, acts of third parties, or delays or interruptions in performance beyond its reasonable control.
10. **INDEMNIFICATION.** Agency and EVS recognize that every business decision represents an assumption of risk and that neither party in furnishing Confidential Information, Data, or the Service to the other, underwrites or assumes the other's risk in any manner. To the extent permitted by laws applicable to the parties, each party agrees to indemnify, defend and hold harmless ("Indemnify") the other party and its affiliates, and their directors, officers and employees (each, an "Indemnified Party"), from and against claims, demands, liabilities, suits, damages, expenses and costs, including reasonable attorneys', experts' and investigators' fees and expenses ("Claims") brought by third parties against the Indemnified Party and arising from the indemnifying party's, or its affiliates', directors', officers' or employees' ("Indemnifying Party") (i) breach of this Agreement, (ii) negligent or intentional, wrongful act or omission, (iii) infringement on third party proprietary rights, or (iv) violation of law.

- 11. LIMITATION OF LIABILITY** In no event shall EVS or its officers, agents or employees be liable for loss of profits or for indirect, special, incidental or consequential damages arising out of or related to the Service or this Agreement, even if it has been advised of the possibility of such damages. Except for the indemnification obligations found herein, damages of any kind payable by EVS shall not exceed the sum paid by Agency for the item of Service which causes Agency's claim.
- 12. WAIVER OF JURY TRIAL.** TO THE EXTENT PERMITTED BY LAWS APPLICABLE TO THE PARTIES, EACH PARTY AGREES TO WAIVE AND HEREBY WAIVES THE RIGHT TO TRIAL BY JURY OF ANY ACTION, SUIT, PROCEEDING, DISPUTE, CLAIM, OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE SERVICES.
- 13. MISCELLANEOUS.** This Agreement sets forth the entire agreement between the parties regarding the Service. Except as otherwise provided in this Agreement, this Agreement may be amended only by a subsequent writing signed by both parties. This Agreement may not be assigned or transferred by Agency without EVS's prior written consent. This Agreement shall be freely assignable by EVS and shall inure to the benefit of and be binding upon the permitted assignee of either Agency or EVS. If any provision of this Agreement is held to be invalid or unenforceable under applicable law in any jurisdiction, the validity or enforceability of the remaining provisions thereof shall be unaffected as to such jurisdiction and such holding shall not affect the validity or enforceability of such provision in any other jurisdiction. To the extent that any provision of this Agreement is held to be invalid or unenforceable because it is overbroad, that provision shall not be void but rather shall be limited only to the extent required by applicable law and enforced as so limited.
- 14. NOTICES.** Every notice required under this Agreement may be (i) sent by electronic delivery to the applicable email address below; (ii) mailed first class postage prepaid or by other courier or delivery service to the applicable address below; or (iii) sent through other electronic means, including but not limited to, through Agency's online or integrated access to the Service. Every notice shall be effective upon the following as applicable: (i) day of email sent; (ii) delivery by an overnight or other courier or delivery service, or three (3) days after pre-paid deposit with the postal service; or (iii) date of electronic notification through Agency's online or integrated access to the Service. Agency agrees that if it does not provide the notice information below, then EVS may use the address listed above to provide notice to Agency. Either party may change its notice contact information upon notice to the other party.

UNIVERSAL MEMBERSHIP AGREEMENT
for
Equifax Verification Services

Exhibit 1

All users of consumer reports must comply with all applicable regulations, including regulations promulgated after this notice was first prescribed in 2004. Information about applicable regulations currently in effect can be found at the Consumer Financial Protection Bureau's website, www.consumerfinance.gov/learnmore.

**NOTICE TO USERS OF CONSUMER REPORTS:
OBLIGATIONS OF USERS UNDER THE FCRA**

The Fair Credit Reporting Act (FCRA), 15 U.S.C. 1681-1681y, requires that this notice be provided to inform users of consumer reports of their legal obligations. State law may impose additional requirements. The text of the FCRA is set forth in full at the Bureau of Consumer Financial Protection's website at www.consumerfinance.gov/learnmore. At the end of this document is a list of United States Code citations for the FCRA. Other information about user duties is also available at the Bureau's website. **Users must consult the relevant provisions of the FCRA for details about their obligations under the FCRA.**

The first section of this summary sets forth the responsibilities imposed by the FCRA on all users of consumer reports. The subsequent sections discuss the duties of users of reports that contain specific types of information, or that are used for certain purposes, and the legal consequences of violations. If you are a furnisher of information to a consumer reporting agency (CRA), you have additional obligations and will receive a separate notice from the CRA describing your duties as a furnisher.

I. OBLIGATIONS OF ALL USERS OF CONSUMER REPORTS

A. Users Must Have a Permissible Purpose

Congress has limited the use of consumer reports to protect consumers' privacy. All users must have a permissible purpose under the FCRA to obtain a consumer report. Section 604 contains a list of the permissible purposes under the law. These are:

- As ordered by a court or a federal grand jury subpoena. Section 604(a)(1)
- As instructed by the consumer in writing. Section 604(a)(2)
- For the extension of credit as a result of an application from a consumer, or the review or collection of a consumer's account. Section 604(a)(3)(A)
- For employment purposes, including hiring and promotion decisions, where the consumer has given written permission. Sections 604(a)(3)(B) and 604(b)
- For the underwriting of insurance as a result of an application from a consumer. Section 604(a)(3)(C)
- When there is a legitimate business need, in connection with a business transaction that is initiated by the consumer. Section 604(a)(3)(F)(i)
- To review a consumer's account to determine whether the consumer continues to meet the terms of the account. Section 604(a)(3)(F)(ii)
- To determine a consumer's eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant's financial responsibility or status. Section 604(a)(3)(D)
- For use by a potential investor or servicer, or current insurer, in a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation. Section 604(a)(3)(E)
- For use by state and local officials in connection with the determination of child support payments, or modifications and enforcement thereof. Sections 604(a)(4) and 604 (a)(5)

In addition, creditors and insurers may obtain certain consumer report information for the purpose of making "prescreened" unsolicited offers of credit or insurance. Section 604(c). The particular obligations of users of "prescreened" information are described in Section VII below.

B. Users Must Provide Certifications

Section 604(f) prohibits any person from obtaining a consumer report from a consumer reporting agency (CRA) unless the person has certified to the CRA the permissible purpose(s) for which the report is being obtained and certifies that the report will not be used for any other purpose.

C. Users Must Notify Consumers When Adverse Actions Are Taken

The term “adverse action” is defined very broadly by Section 603. “Adverse actions” include all business, credit, and employment actions affecting consumers that can be considered to have a negative impact as defined by Section 603(k) of the FCRA – such as denying or canceling credit or insurance, or denying employment or promotion. No adverse action occurs in a credit transaction where the creditor makes a counteroffer that is accepted by the consumer.

1. Adverse Actions Based on Information Obtained From a CRA

If a user takes any type of adverse action as defined by the FCRA that is based at least in part on information contained in a consumer report, Section 615(a) requires the user to notify the consumer. The notification may be done in writing, orally, or by electronic means. It must include the following:

- The name, address, and telephone number of the CRA (including a toll-free telephone number, if it is a nationwide CRA) that provided the report.
- A statement that the CRA did not make the adverse decision and is not able to explain why the decision was made.
- A statement setting forth the consumer’s right to obtain a free disclosure of the consumer’s file from the CRA if the consumer makes a request within 60 days.
- A statement setting forth the consumer’s right to dispute directly with the CRA the accuracy or completeness of any information provided by the CRA.

2. Adverse Actions Based on Information Obtained From Third Parties Who Are Not Consumer Reporting Agencies

If a person denies (or increases the charge for) credit for personal, family, or household purposes based either wholly or partly upon information from a person other than a CRA, and the information is the type of consumer information covered by the FCRA, Section 615(b)(1) requires that the user clearly and accurately disclose to the consumer his or her right to be told the nature of the information that was relied upon if the consumer makes a written request within 60 days of notification. The user must provide the disclosure within a reasonable period of time following the consumer's written request.

3. Adverse Actions Based on Information Obtained From Affiliates

If a person takes an adverse action involving insurance, employment, or a credit transaction initiated by the consumer, based on information of the type covered by the FCRA, and this information was obtained from an entity affiliated with the user of the information by common ownership or control, Section 615(b)(2) requires the user to notify the consumer of the adverse action. The notice must inform the consumer that he or she may obtain a disclosure of the nature of the information relied upon by making a written request within 60 days of receiving the adverse action notice. If the consumer makes such a request, the user must disclose the nature of the information not later than 30 days after receiving the request. If consumer report information is shared among affiliates and then used for an adverse action, the user must make an adverse action disclosure as set forth in I.C.1 above.

D. Users Have Obligations When Fraud and Active Duty Military Alerts are in Files

When a consumer has placed a fraud alert, including one relating to identity theft, or an active duty military alert with a nationwide consumer reporting agency as defined in Section 603(p) and resellers, Section 605A(h) imposes limitations on users of reports obtained from the consumer reporting agency in certain circumstances, including the establishment of a new credit plan and the issuance of additional credit cards. For initial fraud alerts and active duty alerts, the user must have reasonable policies and procedures in place to form a belief that the user knows the identity of the applicant or contact the consumer at a telephone number specified by the consumer; in the case of extended fraud alerts, the user must contact the consumer in accordance with the contact information provided in the consumer’s alert.

E. Users Have Obligations When Notified of an Address Discrepancy

Section 605(h) requires nationwide CRAs, as defined in Section 603(p), to notify users that request reports when the address for a consumer provided by the user in requesting the report is substantially different from the addresses in the consumer’s file. When this occurs, users must comply with regulations specifying the procedures to be followed, which will be issued by the Consumer Financial Protection Bureau and the banking and credit union regulators. The Consumer Financial Protection Bureau regulations will be available at www.consumerfinance.gov/learnmore.

F. Users Have Obligations When Disposing of Records

Section 628 requires that all users of consumer report information have in place procedures to properly dispose of records containing this information. The Consumer Financial Protection Bureau, the Securities and Exchange Commission, and the banking and credit union regulators have issued regulations covering disposal. The Consumer Financial Protection Bureau regulations may be found at www.consumerfinance.gov/learnmore.

II. CREDITORS MUST MAKE ADDITIONAL DISCLOSURES

If a person uses a consumer report in connection with an application for, or a grant, extension, or provision of, credit to a consumer on material terms that are materially less favorable than the most favorable terms available to a substantial proportion of consumers from or through that person, based in whole or in part on a consumer report, the person must provide a risk-based pricing notice to the consumer in accordance with regulations prescribed by the Consumer Financial Protection Bureau.

Section 609(g) requires a disclosure by all persons that make or arrange loans secured by residential real property (one to four units) and that use credit scores. These persons must provide credit scores and other information about credit scores to applicants, including the disclosure set forth in Section 609(g)(1)(D) (“Notice to the Home Loan Applicant”).

III. OBLIGATIONS OF USERS WHEN CONSUMER REPORTS ARE OBTAINED FOR EMPLOYMENT PURPOSES

A. Employment Other Than in the Trucking Industry

If information from a CRA is used for employment purposes, the user has specific duties, which are set forth in Section 604(b) of the FCRA. The user must:

- Make a clear and conspicuous written disclosure to the consumer before the report is obtained, in a document that consists solely of the disclosure, that a consumer report may be obtained.
- Obtain from the consumer prior written authorization. Authorization to access reports during the term of employment may be obtained at the time of employment.
- Certify to the CRA that the above steps have been followed, that the information being obtained will not be used in violation of any federal or state equal opportunity law or regulation, and that, if any adverse action is to be taken based on the consumer report, a copy of the report and a summary of the consumer's rights will be provided to the consumer.
- Before taking an adverse action, the user must provide a copy of the report to the consumer as well as the summary of consumer's rights. (The user should receive this summary from the CRA.) A Section 615(a) adverse action notice should be sent after the adverse action is taken.

An adverse action notice also is required in employment situations if credit information (other than transactions and experience data) obtained from an affiliate is used to deny employment. [Section 615\(b\)\(2\)](#)

The procedures for investigative consumer reports and employee misconduct investigations are set forth below.

B. Employment in the Trucking Industry

Special rules apply for truck drivers where the only interaction between the consumer and the potential employer is by mail, telephone, or computer. In this case, the consumer may provide consent orally or electronically, and an adverse action may be made orally, in writing, or electronically. The consumer may obtain a copy of any report relied upon by the trucking company by contacting the company.

IV. OBLIGATIONS WHEN INVESTIGATIVE CONSUMER REPORTS ARE USED

Investigative consumer reports are a special type of consumer report in which information about a consumer's character, general reputation, personal characteristics, and mode of living is obtained through personal interviews by an entity or person that is a consumer reporting agency. Consumers who are the subjects of such reports are given special rights under the FCRA. If a user intends to obtain an investigative consumer report, Section 606 requires the following:

- The user must disclose to the consumer that an investigative consumer report may be obtained. This must be done in a written disclosure that is mailed, or otherwise delivered, to the consumer at some time before or not later than three days after the date on which the report was first requested. The disclosure must include a statement informing the consumer of his or her right to request additional disclosures of the nature and scope of the investigation as described below, and the summary of consumer rights required by Section 609 of the FCRA. (The summary of consumer rights will be provided by the CRA that conducts the investigation.)
- The user must certify to the CRA that the disclosures set forth above have been made and that the user will make the disclosure described below.
- Upon the written request of a consumer made within a reasonable period of time after the disclosures required above, the user must make a complete disclosure of the nature and scope of the investigation. This must be made in a written statement that is mailed, or otherwise delivered, to the consumer no later than five days after the date on which the request was received from the consumer or the report was first requested, whichever is later in time.

V. SPECIAL PROCEDURES FOR EMPLOYEE INVESTIGATIONS

Section 603(x) provides special procedures for investigations of suspected misconduct by an employee or for compliance with Federal, state or local laws and regulations or the rules of a self-regulatory organization, and compliance with written policies of the employer. These investigations are not treated as consumer reports so long as the employer or its agent complies with the procedures set forth in Section 603(x), and a summary describing the nature and scope of the inquiry is made to the employee if an adverse action is taken based on the investigation.

VI. OBLIGATIONS OF USERS OF MEDICAL INFORMATION

Section 604(g) limits the use of medical information obtained from consumer reporting agencies (other than payment information that appears in a coded form that does not identify the medical provider). If the information is to be used for an insurance transaction, the consumer must give consent to the user of the report or the information must be coded. If the report is to be used for employment purposes – or in connection with a credit transaction (except as provided in regulations issued by the banking and credit union regulators) – the consumer must provide specific written consent and the medical information must be relevant. Any user who receives medical information shall not disclose the information to any other person (except where necessary to carry out the purpose for which the information was disclosed, or as permitted by statute, regulation, or order).

VII. OBLIGATIONS OF USERS OF "PRESCREENED" LISTS

The FCRA permits creditors and insurers to obtain limited consumer report information for use in connection with unsolicited offers of credit or insurance under certain circumstances. Sections 603(l), 604(c), 604(e), and 615(d). This practice is known as "prescreening" and typically involves obtaining from a CRA a list of consumers who meet certain preestablished criteria. If any person intends to use prescreened lists, that person must (1) before the offer is made, establish the criteria that will be relied upon to make the offer and to grant credit or insurance, and (2) maintain such criteria on file for a three-year period beginning on the date on which the offer is made to each consumer. In addition, any user must provide with each written solicitation a clear and conspicuous statement that:

- Information contained in a consumer's CRA file was used in connection with the transaction.
- The consumer received the offer because he or she satisfied the criteria for credit worthiness or insurability used to screen for the offer.
- Credit or insurance may not be extended if, after the consumer responds, it is determined that the consumer does not meet the criteria used for screening or any applicable criteria bearing on credit worthiness or insurability, or the consumer does not furnish required collateral.
- The consumer may prohibit the use of information in his or her file in connection with future prescreened offers of credit or insurance by contacting the notification system established by the CRA that provided the report. The statement must include the address and toll-free telephone number of the appropriate notification system.

In addition, Consumer Financial Protection Bureau has established the format, type size, and manner of the disclosure required by Section 615(d), with which users must comply. The relevant regulation is 12 CFR 1022.54.

VIII. OBLIGATIONS OF RESELLERS

A. Disclosure and Certification Requirements

Section 607(e) requires any person who obtains a consumer report for resale to take the following steps:

- Disclose the identity of the end-user to the source CRA.
- Identify to the source CRA each permissible purpose for which the report will be furnished to the end-user.
- Establish and follow reasonable procedures to ensure that reports are resold only for permissible purposes, including procedures to obtain:
 - (1) the identity of all end-users;
 - (2) certifications from all users of each purpose for which reports will be used; and
 - (3) certifications that reports will not be used for any purpose other than the purpose(s) specified to the reseller. Resellers must make reasonable efforts to verify this information before selling the report.

B. Reinvestigations by Resellers

Under Section 611(f), if a consumer disputes the accuracy or completeness of information in a report prepared by a reseller, the reseller must determine whether this is a result of an action or omission on its part and, if so, correct or delete the information. If not, the reseller must send the dispute to the source CRA for reinvestigation. When any CRA notifies the reseller of the results of an investigation, the reseller must immediately convey the information to the consumer.

C. Fraud Alerts and Resellers

Section 605A(f) requires resellers who receive fraud alerts or active duty alerts from another consumer reporting agency to include these in their reports.

IX. LIABILITY FOR VIOLATIONS OF THE FCRA

Failure to comply with the FCRA can result in state government or federal government enforcement actions, as well as private lawsuits. Sections 616, 617, and 621. In addition, any person who knowingly and willfully obtains a consumer report under false pretenses may face criminal prosecution. Section 619.

The Consumer Financial Protection Bureau website, www.consumerfinance.gov/learnmore, has more information about the FCRA.

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- The following FCRA right applies with respect to nationwide consumer reporting agencies:

CONSUMERS HAVE THE RIGHT TO OBTAIN A SECURITY FREEZE

You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:
