JOB SEEKER:

Mark W., Central Career Center Customer – *“After previously being incarcerated, it became very clear during my job search that my resume needed some work. At one point, I even started to get to a point where I felt all hope was lost. However, I made the best decision by stopping CareerSource Broward’s career center in Oakland Park. I was absolutely amazed at how personable the staff was but more importantly, how eager they were to assist me. Their team helped polish my resume and gave me some tips on how to go about finding employment. I’m forever grateful for the assistance I received.”*
