SUCCESS STORIES

Magnolia — "After five years of unemployment, re-entering the workforce felt like a challenge. I was encouraged to visit CareerSource Broward, and it turned out to be the best decision I could have made. From the moment I arrived, I was impressed by their incredible resources. The WIOA program provided me with training and a paid internship, giving me the skills and experience I needed to regain confidence and find the right job. The support I received was exceptional. The staff, my trainer, and his supervisor treated me with professionalism and respect. Thanks to their guidance, I secured a job as a Tax Preparer—the opportunity I had been searching for! I am truly grateful for CareerSource Broward. Their mission of helping people find meaningful employment is life-changing, and I hope they continue making a difference for those in need. Thank you!"

SUCCESS STORIES

Devonie - "After just a few weeks of collecting unemployment, I received a letter requiring me to go to CareerSource Broward for a re-employment assistance orientation. That orientation changed everything. A wonderful CareerSource Broward team member guided me through the process, clearly explaining

its purpose and the many resources available to support my job search. Following her advice, I attended a CareerSource Broward Workshop and the Paycheck for Patriots Job Fair—both proved invaluable. Thanks to these opportunities, I received multiple job offers and am now on the path to a successful career! I'm incredibly grateful for CareerSource Broward and their dedication to helping job seekers, like myself. Their support truly makes a difference!"
