CUSTOMER SUCCESS STORY

“My last job was not my dream job, and I wanted more than just to be employed – I wanted a career. After becoming unemployed, my financial situation meant that I needed to search for a job soon in order to continue providing for my growing family. I explored my options and, since I had the desire to pursue my clinical training in nursing, it seemed like it was the perfect time and fit. I contacted CareerSource Broward to enroll in a career training program. After a long journey, I completed the nursing program at Atlantic Technical College. I am eagerly anticipating the rest of my life and a brighter future for myself and my family!”

– Nadine Osbourne, Atlantic Technical College Graduate

"Our company needed assistance with staffing in our accounting department, but we were not in a position to pay for the workers needed. Through their Work Experience Program, CareerSource Broward provided us with three qualified candidates, and they even saved us thousands of dollars in salary costs. Thanks to this fantastic partnership, we were able to get major projects up and running, which has had so many positive impacts for our business."
