How do I start my career?

Do some research

- Visit careersourcebroward.com/marine to explore which occupations align with your interests, see a behind-the-scenes peek at what a career looks like and access additional industry-related resources.

Expand your network

- Use social media tools like LinkedIn to network with professionals. Request an informational interview to ask people about their career path, education and job responsibilities.
- Attend an event hosted by an industry organization like the **Marine Industries Association of South Florida**.

Get training

- Explore opportunities at a state college or university near you. You might consider the following:
 - **Broward College:** Marine Engineering Management A.S. degree
 - **McFatter Technical College:** Marine Services Technology Certification.
- Scholarships are available for career training and education.
 - For a full list of approved training programs in the marine industry, visit www.careersourcebroward.com and search:

 **Employment of marine occupations is projected to grow significantly in the next decade, in order to support the supply and demand logistical aspects of our economy.**
