BROWARD EMPLOYERS

Give a youth, ages 16-18 years old, an invaluable 8-week summer work experience at **NO COST** to you. Your business gets all the benefits of a career-minded youth who is motivated to work, engaged and eager to learn, while you help them develop new skills and make a lasting positive impact on the lives of our future workforce.

Connect and mentor a summer youth, and enjoy all the benefits that a student intern can offer to your company.

HERE IS WHAT OTHER BUSINESSES HAVE TO SAY:

- “The Summer Youth Employment Program is an amazing program. It allowed us to connect with and mentor young people, helping them to develop new skills. Thank you again for allowing us to be partners with you.”

Denise Jordan

Senior VP for Fort Lauderdale Chamber of Commerce

- “It’s been a tremendous success. The youth employees working with us were very engaged. They’ve learned a lot about the business. It’s been a beneficial program for all concerned and we’re very much looking forward to next year.”

Joe Schumacker

Owner of Sparez Bowling Center
