

Virtual Job Fair Features for Employers

CareerSource
BROWARD

A proud partner of the

AmericanJobCenter®
network

Benefits and features to the employer:

- No cost
- You are able to:
 - ✓ Source thousands of candidates
 - ✓ Add your company's profile for job seekers to see
 - ✓ Upload files: any files you want to share with visitors
 - ✓ Upload videos: upload videos from YouTube to share with the visitors
 - ✓ Customize your virtual booth with your company logo on digital banners and posters
 - ✓ Manage your mailbox: you can read, answer or erase the emails you receive from visitors
 - ✓ Webcast: you can add a link to redirect visitors to your Webcast Provider Platform
 - ✓ Post job openings by adding a link to your own platform website
 - ✓ Create a chat session
 - ✓ Use the chat: private chat, if the visitor speaks a different language you are able to activate the automatic translator or public chat for your booth only. All visitors can write in the public chat message and all the members of your team can read and answer
 - ✓ Manage and see the visitors who left their profile on your booth. You will be able to see their information, export their profiles, save and/or print them
 - ✓ Ask visitors for a meeting, or visitors can ask you for a meeting
 - ✓ Add your social media links: Facebook, Twitter, LinkedIn and Instagram
