

THE 2025 WORLDS OF WORK CONFERENCE AND EXPO

**JOIN US BY BECOMING A SUPPORTER
FOR THIS AMAZING EVENT**

TUESDAY MARCH 11, 2025 | 8:30 A.M. – 12:30 P.M.

AMERANT BANK ARENA | *Home of the Florida Panthers*

CareerSource Broward, in partnership with the Broward County School Board, is proud to announce the 2025 Worlds of Work (WOW) conference and expo. This amazing event allows our 9th and 10th-grade high school students to get a hands-on educational opportunity to become familiar with the wide range of career opportunities available to them. Youth will have the opportunity to participate in virtual reality work experiences in various high-wage-demand occupations. From robots to aircraft and healthcare simulations, career options will come alive for the teen!

Today's challenging economy means young people need to make the best career choice possible. However, many students do not know the details or educational requirements surrounding demand occupations within various industries. Worlds of Work focuses on introducing our students to the amazing career opportunities that are available to them. Youth from Broward County high schools will soon be gearing up to attend the 2025 Worlds of Work Expo. Universities and technical colleges will be on hand to advise youth on how to best prepare for their futures and showcase how youth can get the skills they will need to succeed.

At WOW, employers will collaborate within twelve world industry focus areas to create interactive and immersive experiences for the students. Each world will be responsible for showcasing exciting careers in high demand and providing opportunities for economic mobility. Local educators join their respective worlds to provide the most engaging opportunities for all participants.

Supporter opportunities are available. Each supporter level provides your company with exposure and benefits electronically and in person. With your help and support, this annual event will send the message that the time is now for students to start their journey toward a career in diverse industries at work in their own backyards.

All funds received from supporters will go towards offsetting the cost of this and future WOW events.
