Employ Florida Work Registration Instructions

Attention: If you are a Reemployment Assistance (RA) claimant, you must follow the steps below to receive your benefits.

Florida law governing the Reemployment Assistance (RA) program (formerly Unemployment Compensation) requires RA claimants, unless otherwise exempt, to complete the work registration process in Employ Florida *prior* to requesting benefit payments. Employ Florida is a valuable resource that can assist you in securing employment and connect you with other resources.

Failure to complete <u>all</u> of the following items will result in a delay or loss of your benefits!

To complete the full work registration process, you must:

- > Complete the **Reemployment Assistance Benefits Registration**
- Provide your valid social security number
- > Ensure you provide a valid email address
- > Create (or update) a Resumé through the Resumé Builder
- > Complete the Background Wizard
- **Step 1.** Access Employ Florida at <u>http://www.employflorida.com</u> or follow the link provided in the CONNECT system.
- **Step 2.** Under the *Job Seekers* menu, click the "Reemployment Assistance" link and then click "Work Register for Reemployment Assistance Benefits".
- **Step 3.** Begin the **Reemployment Assistance Benefit Registration** wizard by acknowledging the requirements and entering required personal information. Enter your social security number to determine if you already have an Employ Florida account.

If your information can be verified, you will directed to reset your password. <u>If your information cannot be verified</u>, you will be given the option to contact the DEO Customer Information Center at 1-800-438-4128 or <u>CustomerInfoCenter@deo.myflorida.com</u> for verification. Once the DEO Customer Information Center staff are able to verify your information, you will be given a temporary password. You will be required to reset the temporary password once you are logged into the system.

Once you have reset your password, you will be redirected to review your general contact information. If your contact information does not include your email address, please be sure to add a **valid email address**.
