EMPLOYER TESTIMONY

“My recruitment team and I were super excited to partner with CareerSource Broward. This is our third year participating in their recruitment events. We’ve had a lot of success and have met unbelievable candidates, including veterans. We see the value in partnering with CareerSource Broward because of the growth of our city’s workforce; their commitment to providing employment services exceeds all expectations.”

JOB SEEKER TESTIMONY

“I wanted a career where I would be able to make a difference in the lives of others but wasn’t quite sure of the direction I was headed. After meeting with my CareerSource Broward success coach, I enrolled in the respiratory therapy program at Concorde Career Institute. I’m so thrilled to share that I accepted a job offer from Naples Community Hospital as a full-time registered respiratory therapist with a good salary and full benefits. All of this would not be possible without the assistance and support from CareerSource Broward. I am – and will forever be – extremely grateful!”

CAREERSOURCE BROWARD TRAINING ENROLLMENT FAIRS:

In an effort to increase the number of customers participating in our career training programs, several enrollment fairs were held at our three career centers. Customers were invited to meet with several providers in order to assist them with their career training and educational goals. Immediately after the fairs, CareerSource Broward’s success coaches met with customers to begin the process of enrollment, thereby expediting the process.

‘DID YOU KNOW’ CAMPAIGN:

CareerSource Broward launched the ‘Did You Know’ informational campaign. The campaign highlights short-term, high-wage training programs and features customer success stories. The success stories are also being featured on social media and throughout each of our three career centers in order to encourage customers to join the training programs.
